

Making a Pink Flamingo Bird Book

Give students a place to record what they learn about flamingos and other birds with a colorful, hand-made bird book.

Materials Needed:

- * Construction paper in light blue, pink, white, and, black
- * Scissors
- * Glue Stick
- * Sheets of 8.5 x 11" white paper (2-3 per book)

Procedure:

Step 1: Print, trace and cut out the flamingo pattern from page 3.

Step 2: Trace the cut pattern pieces onto the appropriate sheets of construction paper.

Step 3: Fold light blue paper in half and glue on the pink body, white face, black eye, and black beak.

Step 4: Fold white paper in half and place inside book.

Step 5: Staple the left edge of the closed book to secure the pages.

Step 6: Fill the book with all your wonderful bird knowledge!
