

Danny Follows the Signs

Level E / 98 words / fiction

High frequency words: come, have, no, now, stop, will, you

Before reading

- Look at the cover and read the title.
- Possible discussion questions: "What does it look like Danny, Bee and Norman are doing on the cover? Where do you think they are going?"

Look through all the pictures

- Using the language in the story, discuss each photograph in the book. Notice details in the pictures and use that information to better understand the text.
- Help the children find any tricky words in the text: sign, right, leash, and must. Discuss meaning, word structure, and sounds you expect to hear in those words.

Reading the text

- Have the children read the text independently. While they're reading, listen to each student and prompt them to use meaning, structure, and visual information to monitor and self-correct reading.
- Children should be able to read without using their finger to track words, except at point of difficulty.

FUN FACT

Did you know that the shape of the road sign delivers a specific message? Round signs are used for railroad crossings, octogons are used for stop signs, diamonds are used to warn that there are curves ahead, squares are used for caution, and rectangles are used for mileage and speed limit signs.

After reading

- Discuss the meaning, structure, and letter cues that you notice students using correctly.
- Literal comprehension: The answers are in the text. Ask, "What did Danny see on the tree? What other signs did Danny, Norman and Bee see?" Have the students read the pages that support each answer.
- Inferential comprehension: The answers are in your head. Ask, "What are some signs that you see everyday? Why do you think we need signs? What sign could you make for your home? Why?"

Word work

- Have the students locate the high-frequency words in the text and practice writing them.
- Help the students locate the words with the ay vowel pattern: *today, way, play,* and *stay.* Using magnetic letters, make other words with that same vowel pattern (*day, may, gray, way, tray*).
- On separate cards, write each sign that Danny sees in the story. Have the students put the cards in sequential order to match the text.

Rereading for fluency

• Have the child(ren) read the story again aloud, listening for phrased, fluent oral reading that includes appropriate pausing and intonation.

Writing activity

• Have each student create a sign for his or her bedroom. Then have them write and complete the following sentence: "The sign says _____."

Teaching Points: Introducing new words; Practicing words with the ay vowel sound; Sequencing; Rereading.
