Before reading

- Look at the cover and read the title.
- Possible discussion questions: "Where have you seen flamingos? What do you know about flamingos?"

Look through all the pictures

- Using the language in the story, discuss each photograph in the book. Notice details in the pictures and use that information to better understand the text.
- Help the children find any tricky words in the text: *covered, curved, honk, and stilts*. Discuss meaning, word structure, and sounds you expect to hear in those words. Have children clap and count the syllables.

Reading the text

- Have the children read the text independently. While they're reading, listen to and prompt each student to use meaning, structure, and visual information to figure out words, self-correct, or improve expression.
- Children should be able to track print with their eyes, move quickly through the text, and read fluently while paying attention to punctuation, except at point of difficulty.

After reading

- Discuss the meaning, structure, and letter cues that you notice students using correctly.
- **Literal comprehension:** The answers are in the text. Ask, "Why are flamingos pink? Why does a flamingo have a curved beak?" Have students read the pages that support their answers.

- **Inferential comprehension:** The answers are in your head. Ask, "Why do you think flamingos stand on one leg? Why do you think flamingos have long necks and legs? Why do you think flamingos like to be with other flamingos?"

Word work

- Have the students locate the high-frequency words in the text and practice writing them.
- Find and discuss the plural nouns: *wings, stilts, legs, flamingos, feathers, and birds*. Change the following words into plural nouns: *beak, body, and noise*.
- Find and discuss the rhyming pairs: *not-lot* and *that-at*.
- Find and discuss the words with the /nk/ blend: *pink, honk, and drinking*.
- Find and discuss the words with the /oo/ phoneme: *zoo, scooping, and food*.

Rereading for fluency
