

On the Road with Danny!

In September, Danny, Norman, and Bee climbed into the MaryRuth Books RV, with Mia and Dad, and headed out on a month-long road trip across the U.S.A. Along the way, they stopped at National Parks, museums, local landmarks, and plenty of schools. Everywhere the MaryRuth Books group went they met young readers and made new friends.

Danny and Norman loved the pets and hugs they received from children and adults alike. Mia enjoyed talking with educators and hearing stories from the classroom. She and the students read stories together. Mia and Danny signed books and added to the reading libraries at some of the schools.

As this month's classroom activity, we invite you to read more about the **On the Road with Danny** adventure on the [MaryRuth Books facebook](#) page. Then, send an email to TalkToDanny@icloud.com with the name of a school we mention in one of our video travel logs and **we'll send you a 10% off coupon** good toward your next online order from MaryRuth Books!
