Danny's Bee Goes to the Hospital

Danny's Bee Goes to the Hospital

Level G / 149 words / fiction

High frequency words: be, from, going, new, take, then, was

Before reading

• Look at the cover and read the title.

• Possible discussion questions: "Why do you think Danny put Bee in the box? What do you think will happen in this story? Have you ever gone to the hospital?"

Look through all the pictures

• Using the language in the story, discuss each photograph in the book. Notice details in the pictures and use that information to better understand the text.

• Help the children find any tricky words in the text: *hospital, calm,* and *package.* Discuss meaning, word structure, and sounds you expect to hear in those words. Have children clap and count the syllables.

Reading the text

• Have the children read the text independently. While they're reading, listen to and prompt each student to use meaning, structure, and visual information to figure out words, self-correct, or improve expression.

• Children should be able to track print with their eyes, move quickly through the text, and read fluently while paying attention to punctuation, except at point of difficulty.

FUN FACT

A doll hospital is a workshop that specializes in the restoration or repair of dolls. One of the oldest doll hospitals was established in Lisbon, Portugal in 1830. There is even a Doll Doctors Association in the United States.

After reading

• Discuss the meaning, structure, and letter cues that you notice students using correctly.

• Literal comprehension: The answers are in the text. Ask, "When Norman was playing with Bee, what happened to Bee? What was Danny's idea to fix Bee?" Have students read the pages that support their answers.

• Inferential comprehension: The answers are in your head. Ask, "How do you think Norman felt when he had to tell Danny what happened to Bee? Have you ever accidentally broken a friend's toy? How did that make you feel?"

Word work

• Have the students locate the high-frequency words in the text and practice writing them.

• Find and practice the words with the /ow/ phoneme: found, shouted, and down.

• Find and discuss the homophones *eye-I* and *be-Bee* in the story. Homophones are words that sound alike, but have different spellings and meanings.

Rereading for fluency

• Have the child(ren) read the story again aloud, listening for phrased, fluent oral reading that includes appropriate pausing, intonation and word stress.

Writing activity

• Have each student write and complete the following sentence: *"I have a great idea! Let's send Bee to the* ______." Then have the students draw a picture that corresponds to what they have written.

Teaching Points: Introducing new words; Finding and clapping multisyllabic words; Noticing apostrophes in contractions; Noticing possessive words with the *'s* ending; Practicing words with the */ow/* phoneme; Introducing homophones.
