

# Treat Norman with Sight Words

May 2019 Classroom Activity

## Materials Needed:

- print out of Norman
- crayons
- empty tissue box
- tape
- scissors
- print out of bone sheet

## Directions:

1. Print out the line drawing of Norman from page 2 of this activity.
2. Color the drawing and cut out Norman's mouth.
3. Attach the colored drawing of Norman to the top of the empty tissue box with tape.
4. Print the bones sheet (page 3 of this activity) and cut out the bones.
5. Write a different word on each of the bones.
6. Feed Norman!
