

MaryRuth Books Menagerie Animal Box

Your menagerie can be portable with our easy to make MRB Menagerie box. Download and print the box templates on heavy paper or cardboard. Don't have card stock on hand? Upcycle a cardboard cereal box by gluing your paper print-outs to it.

Directions:

1. Print out two copies of the animal box template.
2. Cut out the templates along the solid lines.
3. Make a fold on each of the dashed lines.
4. Apply glue to the front (printed) sides of each panel A. Match the glued sides of both A panels to the back (blank) sides of each of the B panels. Press firmly together.
5. Apply glue to the front (printed) side of one bottom panel, and to the back (blank) side of the other. Press the glued sides together.
6. Apply glue to the back (blank) sides of all four panel B tabs. Fold the tabs over and press firmly to finish your menagerie box!
