Want to learn more about Danny and his friends? Follow the directions to make this Danny & Friends Teller:

2. Fold one corner to the center.

3. Fold the other corner to the center.

4. Turn it over and do the same for the other two corners.

1. Cut on dotted lines.

With print side up, fold in

half in both directions.

5. Open up the paper to a square, with four flaps in the center.

6. Turn it over and fold four corners into the center.

7. Fold in half in both directions (with flaps inside) to make a rectangle.

8. Put pointer fingers and thumbs under the flaps. Practice opening and closing the teller.
