

## What's Happening?

Look at the picture. Answer the questions. Discuss. Question. Observe. Predict. Draw. Write.

1. What is happening in this picture? What do you see that makes you say that?
2. Discuss the setting. Where is this picture taking place? What time of day is it? How do you know?
3. What do you think happened to Bee? What should Bee do next?
4. Tell about a time when a nurse or doctor helped you. Would you like to be a doctor or a nurse? Why or why not?
5. What else do you see happening in this picture? How does this picture make you feel? Why?
6. Find and discuss the following items in the picture: stethoscope, patient, bandage, nurse's cap, lab coat
7. Predict what you think will happen next. On the back of this paper, draw a picture and write a story about your predictions.
