

## What's Happening?

**Look** at the picture. **Answer** the questions. **Discuss.** **Question.** **Observe.** **Predict.** **Draw.** **Write.**

1. What is happening in this picture? What do you see that makes you say that?
2. Discuss the setting. Where is this picture taking place? What time of day is it? What time of year is it? How is the weather? How do you know?
3. What is the cat doing? What is the girl doing? Why are they doing what they are doing?
4. How do you think the cat lost its collar? How do you think the cat feels about her collar?
5. What else do you see happening in this picture? How does this picture make you feel? Why?
6. Find and discuss the following items in the picture: **whisker**, **asphalt**, **collar**, **wristwatch**, **raindrop**
7. Predict what you think will happen next. On the back of this paper, draw a picture and write a story about your predictions.
